

B Ocean Resort In Fort Lauderdale Is Offering Teachers Summer Rates Starting At Only \$99 A Night

by [Lyssa Goldberg](#) Jun 09, 2016 02:46 PM

One Fort Lauderdale beach hotel wants to give teachers a break while giving back to our local schools.

[B Ocean Resort](#) has brought back its Summer Teacher Promotion for Broward and Miami-Dade County Public School teachers, with exclusive room rates starting at \$99 per night. For comparison, regular room rates average \$239 per night during the summer.

The iconic oceanfront hotel, which used to be The Yankee Clipper, offers two outdoor pools, a fitness center, an AVEDA spa suite, plus the Wreck Bar with its longstanding mermaid show.

The summer promotion will include discounted parking and 15 percent off food or drinks. Better yet, \$5 from each night booked will go to back to local schools. Broward teachers' stays will benefit the Broward Education Foundation.

The hotel, which has offered the promotion for the past few years, created this summer savings program to recognize teachers for their hard work, dedication and contributions to the community.

"We are celebrating the end of the school year by offering an exclusive package, so teachers can enjoy the summer as much as the students they inspire," the hotel team said in a statement.

Broward teachers can use the promo code "TEACHB" to enjoy the following:

- Rates starting from \$99 + tax per night
- Discounted self-parking for \$10 per car, per day
- 15 percent off food and beverage card
- Each employee may book up to 3 rooms per stay
- \$5 per room reservation donated to the Broward Education Foundation

All teachers need to do is show a valid school employee ID at check-in. Stays can be booked online at bhotelsandresorts.com/b-ocean/ or by calling 888.662.4683.

Note: The promotion runs through Oct. 16, and blackout dates apply.
